[Google Map](#)

**Facilities:** Bantam Lake is a 947 acre, fresh water lake. CT-DEEP maintains a concrete boat ramp with space for 20 cars and trailers. The lake is used by power boaters including water skiers.

**Training:** CTPC uses this site for entry level and intermediate training in kayak, canoe and SUP.

**From route 202:** following 202, Litchfield Turnpike, take Route 209 south approximately 2 miles. Turn onto Palmer Road and take an immediate right into the parking area for the Boat Launch.

**From route 109:** in Morris, CT follow 109 west to Route 209. Follow this north approximately 0.6 mi to Palmer Road. Turn right onto Palmer Road and then immediately right into the parking area for the Boat Launch.
